Problematic

How to highlight the **decadence**
of the Japanese TV shows ?

Concept

A website that list all TV shows in different categories.

Design

Japanese theme : difficult to apprehend
We had to do a lot of watch.

Demonstration

Development : technologies

FOSRestBundle for API
FOSUserBundle for the user management

Problems

Creation of the user account

API

Link the pages with each other

Thank you

A short, thick red horizontal line positioned directly beneath the word "Thank" in the phrase "Thank you".
